## 10. 5-7 Claims of this product related to at least 1-2 ingredients:

- ☒ Advanced Detox supports digestion
- ☒ Aids weight loss
- ☒ Relieves constipation
- ☒ Combats infections naturally
- ☒ It promotes a healthy gut microbiome and overall well-being.

## 11. Facts and Figures:

**05** Ingredients, **2 Tablet** per day, **8** Benefits, and a duration of **3** months for optimal results.

## 12. Why this Product is better than others:

We have developed Patented excipient less OEM for immediate therapeutic action and prolonged safe dosage. All products passed stability, quality and evaluation as per NABL lab. We have succeeded in Human Clinical trials, case study and animal study as per ethical guidelines.

## 13. Direction Of Use:

**01**

Tablet **twice a day**

**30**

Minutes **after** meal

#### 14. Safety profile:

Microbial free

Heavy metal free

Animal toxicity proven safe

#### 15. Contraindications: NA

**16. Precautions:** Keep away from children. Do not use if the safety seal is damaged or missing.

#### 17. Adverse reaction if any: NA

**18. Quality control parameters:** Pre-formulation & Physicochemical parameters tested includes- Solubility, micromeritics property, physical characterization (FTIR, DSC, XRD), Hardness, Friability, Disintegration time, Dissolution time, Assay and Finished product stability and COA include microbial, heavy metal test

#### 19. Certifications if any (GMP, AYUSH etc.): GMP, FDCA

#### 20. Patent:

**1** Process Patent

#### 21. Total Number of experimental studies conducted: 01

#### 22. Total Number of Clinical studies conducted: 01

#### 23. Clinical outcome as per clinical study are as follows:

- ✓ **4-7 DAYS** - Constipation starts to resolve.
- ✓ **15 DAYS** - 50% improvement in Gas acidity, Indigestion, Constipation.
- ✓ **30 DAYS** - Gut detoxification, Weight & inch loss start.
- ✓ **60 DAYS** - 3-7% weight & inch reduction.
- ✓ **90 DAYS** - Gut microbiome Homeostasis.
- ✓ **120 DAYS** - Remarkable weight & inch loss.
